Dear Parents:

We are writing to let everyone know that Troop 244 has been working on updating its website. Please visit us at the new and improved www.Troop244.com. The website has the Troop calendar, information and forms for upcoming events, and links to other Scout sites. In addition, we would like to use this site to post photographs of our Scouts taken during Scouting events. This offers the Scouts, parents and other relatives a way to keep up with the many activities and events we do as a troop. For anyone who has seen the presentations at our recent Courts of Honor, the Scouts seem to have a great time seeing themselves at the events. Of course, as a safety concern, we do not use names in conjunction with any Scout photo, nor do we print addresses of any Scouts.

The Committee and Leaders want to provide you with an opportunity to let us know whether or not you want your child's photograph posted on the website. Please let us know by checking the appropriate box below and return this form either via mail to Nina Kelly at 30 Water Rd, Rocky Point, NY or at the next troop meeting. A second copy of letter has been attached for your records. Please respond promptly as we want to keep the website as current as possible.

Finally, if anyone has digital photographs of Scouting events, and you would like them posted on this website, please see Nick Koridis. We hope that this website will be a source of information for all our Scouting families as well as a gallery of photos that show what fun Scouting is.

Thanks again for all the support you provide to the Troop and to your Scouts.

Yours in Scouting,

Kevin O'Connor
